

LG183 Series - All SS Welded Sensored Pressure Gauge

Description

LG183A series is linear volt output all SS sensored gauge with bayonet bezel, it means this gauge is repairable. This series also can be used under critical environment, high pure devices, etc.

Material Feature

Case	SS304	Connection	SS316 NPT/BSP/BSPT/Metric
Ring	SS304	Thread Size	1/8", 1/4", 1/2", M14, M20
Window	Polycarbonate	Movement	SS304
Dial	Plastic	Bourdon Tube	SS316L
Pointer	PA66+30%GF	Welding Type	Argon-arc Welding
Accuracy	1.6%/1.0%*	Pres. Range	VAC~9PSI~30000PSI

LG183A

DIMENSIONS

Code	Dia (mm)	Size (mm)					
		A	B	C	D	E	F
